

# Pendulum of Opportunity

El Tres de Mayo, by Francisco de Goya, from Prado thin black margin.

Heads Roll... the *Bloody Revolution* begins... when the .1% controls 90% of wealth / political power & the 99.9% realize they have no hope for opportunity.

## Hopelessness

Society (government) ensures opportunity for 100%.

## Parity of Opportunity

Robespierre Guillotined.

Heads Roll... the *Bloody Revolution* consumes itself... ending when the 99.9% become weary of spilling their own blood and begin to create their own opportunities.
